#### Clients comments:

*"This was the most enjoyable day of our holiday to New Zealand so far. The food was among the best we have tasted in world, the scenery all to ourselves with not a soul around was beautiful and the friendly service from Vernon and Rodney was excellent. We shall remember this day forever and recommend it to our friends! Jan and Didy Cook and friends, UK, Netherlands, USA & Portugal.*

**Picnics:** \$20-\$60/ person for food plus transport and guides at \$70-\$140 per hour.

Discovery Tours can organise a picnic for you from simple to gourmet depending on your requirements, either as part of one of our tours or as it's own special event.

This is the perfect thing for a special day such as a wedding anniversary, birthday or just for sheer indulgence. Imagine the table set with white cloth, wine, quality food and a guide providing silver service, while all the time surrounded by beautiful and peaceful scenery. The food is provided by the Hermitage Hotel chefs to your requirements (cold food only) with a choice of the Hermitage's own smoked salmon and meats and other gourmet treats. Drinks can be purchased separately on the day (wine and premixed drinks) or included as part of the picnic.

Let us know what you would like and we will organise it for you including high flying and rewarding experiences (by helicopter or Ski Plane) to magic spots atop glaciers or mountains!

**Picnics are subject to weather conditions, if the weather is not suitable we can choose another location although extra charges may be included if the guides have to travel further to find a great spot, otherwise an indoor alternative can be chosen.**
